Are you interested in doing a semester abroad in the heart of Europe and are also looking for an internship? Come to us!

The University of Applied Sciences Upper Austria (Austria) in cooperation with the Deggendorf University of Applied Sciences (Germany), will find an internship which is most suitable for you. We also build business contacts between you and companies of the region. As your contact person, we shall help you by answering all legal and work-related questions during your internship.

With support from the Chamber of Industry and Commerce of Lower Bavaria as well as the Austrian Economic Chamber, it is our goal to bring interns with an excellent professional education into contact with regional, high-class companies from the technology, science and economy sectors.

In addition, you have the opportunity to do a semester abroad or a pre-semester at one of the two universities.

You can choose from three options:

- Internship
- Semester abroad + internship
- Pre-semester + internship

Further details can be discussed with the contact person at the respective university.

**OUR OFFER**

- Benefit from intensive support and the know-how of the cooperating companies
- Benefit from the support of professors of the University of Applied Sciences Upper Austria and the Deggendorf University of Applied Sciences respectively
- Improve your German language skills
- Improve your intercultural competence
- Take the opportunity to get in touch with potential employers
- Benefit from this competitive advantage when applying for jobs (i.e. by distinguishing yourself from other applicants who do not have experience abroad)
- Take the chance to do a pre-semester at one of the two universities before starting your internship

**TAKE YOUR CHANCE!**

**REGISTRATION AND APPLICATION**

More information can be obtained from the CATT website: www.catt.at

If you would like to register earlier, please apply directly to the university of your choice (please also include your CV and any relevant certificates):

- Contact person at the University of Applied Sciences Upper Austria: Daliborja Mitrovic
- Contact person at the Deggendorf University of Applied Sciences: Philipp Achatz

Please include, if applicable, a certificate of your German language proficiency.

**IMPORTANT:** In order to apply you also need to prove that you are currently registered at an institute of higher education (i.e. university).
