EXCELLENCE INITIATIVE

Let the Easter Holidays,  
spent perhaps away from your loved ones,  
be peaceful, healthy, and safe.  
Despite this separation, let's stay  
close together spiritually  
and be filled with kindness.  
May this Easter time  
offer us an opportunity for reflection,  
ease our anxiety and give us new strength  
for our everyday struggle.  
Let's support each other  
and let the awakening nature  
pour optimism into our hearts  
and give us faith  
into our swift return to normality  
and a better tomorrow.

**Wishing you all the best  
and good health.  
Happy Easter!**
