Shanghai Jiao Tong University (SJTU), as one of the higher education institutions which enjoy a long history and a world-renowned reputation in China, is a key university directly under the administration of the Ministry of Education (MOE) of the People's Republic of China and co-constructed by MOE and Shanghai Municipal Government. Through 122 years' unremitting efforts, SJTU has become a comprehensive, research-oriented, and internationalized top university in China.

Programs

Each year we admit students from nearly 90 countries making the university a rich and diverse learning environment. We offer a wide range of graduate programs to international students including 60 master programs and 41 doctoral programs in 25 different schools/departments. There are 40 master programs and 32 doctoral programs offered in English. The study duration for the master programs is 2-3 years (Full-time); for the doctoral programs is 4 years (Full-time).
