<b>Polish Language Summer Course</b>	
<b>Летние курсы польского языка</b>	<b>SOMMERKURS DER POLNISCHEN SPRACHE</b>

## GENERAL INFORMATION

The Foreign Languages Centre and the College of Social Sciences and Foreign Languages of the Silesian University of Technology in Gliwice invite all the interested to take part in the Summer Course of Polish for Foreigners. The course is for adult learners at different levels A1, A2, B1 and B2 (as defined by Common European Framework of Reference for Languages) as well as for students of the SUT who would like to improve their knowledge of Polish.

The course aims not only at getting to know Polish but also exploring history and the most important historical sights of Upper Silesia.

## COURSE PROGRAMME

1. 80 classes of intensive Polish (1 class=45 minutes), including:

- communication skills
- vocabulary and grammar
- reading, listening and writing
- cultural education-classes and lectures connected with Polish geography, history, culture, arts and politics

2. Cultural events - optional, not included in the course price:

- excursions to interesting sights of the region – Kraków (Cracow) and Jura Krakowsko- Częstochowska
- museums and coal-mines on Industrial Monuments Route of the Silesian region
- concerts, exhibitions and other events , according to the offer available

The course will begin with a placement test.

After completing the course, the participants will be given the certificate of attendance.
