HOW TO DECLARE PUBLICATIONS AND PATENTS TO THE DISCIPLINE

Every employee at the Silesian University of Technology who has declared a discipline affiliation should also assign their publications and patents to the discipline.

To do so, follow the instructions below.

Declaration of publications and patents to the discipline is done in the Knowledge Base of the Silesian University of Technology.

Entrance to the Base and basic information:
[Knowledge Base - Library of the Silesian University of Technology \(polsl.pl\)](https://www.polsl.pl)

Entrance to the Base and basic information:
[Knowledge Base - Library of the Silesian University
Technology \(polsl.pl\)](https://polsl.pl)

Go to your profile in the Knowledge Base.

Entrance to the Base and basic information:
[Knowledge Base - Library of the Silesian University of Technology \(polisl.pl\)](https://polisl.pl)

The screenshot shows the top navigation bar of the Silesian University of Technology Knowledge Base. The user 'jdziaak' is logged in, and a dropdown menu is open, showing options: 'jdziaak', 'Settings', 'Contact with Editor', and 'Logout'. The main header includes the university name 'Silesian University of Technology' and the tagline 'A knowledge and research potential platform'. Below the header is a search bar with the text 'Search...' and a search icon. At the bottom, there is a statistics bar with the following data:

| Category | Count |
|--------------|--------|
| 102 | |
| People | 2997 |
| Publications | 128584 |
| PhD theses | 2310 |
| Patents | |

In the author's profile, check if you have registered a complete output since 2022.

If not - submit the missing publications for registration according to the information on the Knowledge Base page.

Author's statement

The declaration of the author about scientific discipline of the publication

This is to declare that my contribution to the publication refers to the indicated discipline.

Apply

Do the same for patents if you have them in your scientific record.

Entrance to the Base and basic information:
[Knowledge Base - Library of the Silesian University of Technology \(polsl.pl\)](https://www.polsl.pl)

B. Patents and protection rights

I. Patents and protection rights to be demonstrated for evaluation purposes with approved disciplines:*

No patents or protective rights.

II. Patents and protection rights requiring approval of discipline **

nauki o zarządzaniu i jakości [5.6]

Wieczorek Grzegorz, Oliwa Wojciech, Dziak Joanna: Sposób i urządzenie do pomiaru interwałów czasowych, Invention, Application number

III. Patents and protection rights not reported for evaluation purposes**

3.1. Patents and protection rights assigned to disciplines other than those declared in Statement No. 1

No patents or protective rights.

3.2. Patents and protection rights not assigned to any discipline

No patents or protective rights.

Define the scientific discipline of selected patents and protection rights

3.3. Patents and protection rights not affiliated by a university (PSL)

No patents or protective rights.

3.4. Patents and protection rights omitted in the evaluation

No patents or protective rights.

Once you have determined your discipline, *Approve* your statement in the bottom right corner and download the pdf file.

Sign the generated document.
