

Gliwice, 05.04.2022

### **Announcement of a Competition for funding research tasks carried out by young scientists**

On behalf of the Head of the Department of Telecommunications and Teleinformatics (KTiT), dr. hab. eng. Wojciech Sułek, based on the letter of the Dean of the Faculty of AEI of the Silesian University of Technology, Ref. No. RAU0-3.24.3150.2022 and the ordinance of the Rector of the Silesian University of Technology No. 66/2021, a competition for financing research tasks carried out by young scientists is announced. Funding may be applied for by young scientists employed at KTiT, or PhD students of KTiT employees, as individual applicants, or research teams composed of people who have positively accounted for research tasks previously carried out at the University, financed under a subsidy or statutory subsidy.

A template of the application for financing the research task is available on the KTiT website. Application forms should be sent to **Piotr.Zawadzki@polsl.pl**. The deadline for submitting applications is set by the Commission on April 8, 2022.

The necessary condition for the settlement of the task is submission of the article to the journal, for which at least 70 points were awarded on the list of the Ministry of Science and Higher Education as of the date of publication. in the case of a research task carried out individually or at least 140 points in the case of a research task carried out in a team.
