

Guidelines for Abstract Authors

Researchers wishing to present their work during the **HTIC (26 October 2026)** are invited to submit an abstract for consideration.

All submitted abstracts will undergo review by the Scientific Committee. Authors of accepted abstracts will be invited to present their research during the **Poster Session**.

Submission Process

1. Complete the online registration form.
2. Wait for the confirmation e-mail from the Organizing Committee.
3. Prepare your abstract using the official abstract template.
4. Submit your abstract before the submission deadline.
5. After acceptance, prepare your poster using the official poster template.

Abstract Requirements

- Language: **English**
- Maximum length: **300 words**
- File format: **Microsoft Word (.docx)**
- Use the official HTIC 2026 Abstract Template.
- The abstract should clearly describe:
 - Background
 - Objective
 - Methods
 - Results
 - Conclusions
- Do not include figures or tables.

Conference Topics

Abstracts should relate to one or more of the conference themes, including:

- Biomedical Engineering
- Medical Technologies
- Artificial Intelligence in Healthcare
- Digital Health
- Medical Imaging
- Biomechanics
- Biomaterials
- Medical Robotics
- Rehabilitation Engineering
- Personalized Medicine
- Additive Manufacturing
- Healthcare Data Science

Review Process

Each abstract will be evaluated by members of the Scientific Committee based on:

- Scientific quality
- Originality
- Relevance to the conference topics
- Clarity of presentation

Authors will be informed of the review outcome by e-mail.

Presentation

Accepted abstracts will be presented during the **Poster Session**.

Authors are required to:

- prepare their poster using the official HTIC 2026 poster template,

- display the poster during the conference,
- be available for discussion with conference participants and reviewers.

Publication

Accepted abstracts will be published in the official **HTIC 2026 Book of Abstracts** (ISBN).

Selected authors may also be invited to submit full papers for publication in partner scientific journals after the conference, subject to the journals' peer-review process.

Important Dates

Registration	30 September 2026
Abstract Submission	9 October 2026
Notification of Acceptance	<i>(e.g. 14 October 2026)</i>
Poster Submission	15 October 2026
Conference	26 October 2026

Ethical Statement

By submitting an abstract, the corresponding author confirms that:

- the submitted work is original,
- all co-authors have approved the submission,
- the work has not been previously published in the same form,
- any necessary ethical approvals have been obtained where applicable,
- the submitted information is accurate and complete.
