

# XXV CPSYS

INTERDISCIPLINARY TOPICS  
IN MINING, GEOLOGY AND GEOMATICS

14-16 OCTOBER 2025 | WROCŁAW, POLAND

## XXV Jubilee Edition of the Conference of PhD Students and Young Scientists

We are pleased to invite you to the **XXV Jubilee Edition of the Conference of PhD Students and Young Scientists**, organized by PhD students and researchers from the Faculty of Geoengineering, Mining and Geology at Wrocław University of Science and Technology.

The conference will be held in a hybrid format  
from **October 14 to 16, 2025**, in **Wrocław, Poland**.

This annual event offers an excellent platform for young researchers to share knowledge, present their scientific achievements, and foster valuable academic and professional connections within the scientific community.

The scientific program will feature four thematic panels:

MINING  
ENGINEERING

EARTH AND SPACE  
SCIENCE

GEOENGINEERING

GEOINFORMATION
