Note!

The payment for October should be made no later than by 10/09 of each year (decides date of receipt to the dormitory's bank account) – the title of the bank transfer should be following: „ student's full name and surname + name of the dormitory” (where you would like to stay). This will help the staff to identify person who made the payment.

Lack of payment means resignation and automatic removal from the list of students accommodated in the particular dormitory.
