

**Recruitment of outstanding young researchers from Poland or abroad in the topics of  
priority research areas,  
under the Excellence Initiative - Research University programme**

pursuant to Ordinance No. 31/2020 of 4 March 2020 and  
Ordinance No. 186/2021 of 16 October 2021.

In 2021, 3 editions of the competition for the recruitment of outstanding young scientists for the position of assistant professor in the research staff group within the Excellence Initiative - Research University programme were announced. A total of 16 candidate applications were registered, of which 6 met the formal conditions. Because of the work of the Competition Committee, in addition to consulting the relevant Scientific Discipline Boards, the Commission for Awards and Pro-Quality Programmes and the decision of the Rector, five young outstanding scientists were offered employment. One of them started work by 31 December 2021.

List of persons who have been proposed for recruitment in the framework of the competition for  
outstanding young scientists from Poland or abroad in priority research areas  
under the IDUB programme
