

Recruitment of outstanding prominent researchers from Poland or abroad in priority research areas, within the framework of the Excellence Initiative – Research University programme

in accordance with Ordinance No. 39/2020 of 4 March 2020 and
Ordinance No. 187/2021 of 16 October 2021.

In 2021, 3 editions of the competition for the recruitment of outstanding prominent researchers as university professors in the research staff group within the Excellence Initiative - Research University programme were announced. A total of 5 candidate applications were registered, of which 3 met the formal conditions. As a result of the work of the Competition Committee, in addition to consulting the relevant scientific discipline councils, the Commission for Awards and Pro-Quality Programmes and the decision of the Rector, three outstanding experienced scientists were offered employment. One of them started work by 31 December 2021.

List of persons who have been offered employment under the competition for outstanding prominent researchers from Poland or abroad in priority research areas under the IDUB programme
