

**Grants for internships of at least 3 months at leading foreign research centres under the Excellence Initiative - Research University Programme\*.**

In accordance with Ordinance No 37/2020 of 4 March 2020.

In 2021, a total of 5 applications were subject to assessment by the Commission for Awards and Pro-Quality Programmes for the award of a grant to undertake at least a 3-month internship at a leading foreign research centre under the Excellence Initiative – Research University programme.

All applications received at least 50% of the maximum number of points specified in § 2 item 6 of the Rector's Ordinance No. 37/2020 of the Rector of the Silesian University of Technology of 4 March 2020 on the pro-quality competition for grants for at least 3-month internships in leading foreign scientific centres as part of the Excellence Initiative - Research University programme. Rector awarded five grants for 3-month internships in leading foreign research centres.
